Softball Family Nights We are again planning to gather together at one of the local softball fields every Sunday evening in August at 7:00 p.m. Everyone nine and older is welcome to play a seven-inning game. Those nine and under will split into two teams and run bases after the game. We will be reserving the ball field in Dallas or Clayton. Both St. John's and Christ Lutheran are invited. Hopefully we'll have enough interest to fill out a couple of teams. Further information will be provided in August bulletins.
