Lutheran Braille Workers exist to bring the Word of God to the 338 million people throughout the world who are Blind or Visually Impaired, completely free of charge, in Braille and Specialized Large Print.
Men, women, and children find hope in the Light of Christ through the Bible and other Christian materials provided by LBW in multiple languages in every part of the globe. LBW is one of the last remaining free resources available to them in which the Good News of Jesus is shared quickly and in high quality formats.
In over 80 years of ministry, Lutheran Braille Workers has produced and distributed over 15 million volumes of Christian material, in 40 languages, to people in 164 countries. LBW has never charged a recipient to receive these materials as we believe in freely sharing God's Word!

We cannot know what's wrong if we do not know what's right…

Ponder the Words St. Augustine wrote in *City of God*

No one, therefore, need seek for an efficient cause of an evil will. Since the 'effect' is, in fact, a deficiency, the cause should be called 'deficient.' The fault of an evil will begins when one falls from Supreme Being to some being which is less than absolute. Trying to discover causes of such deficiencies—causes which, as I have said, are not efficient but deficient—is like trying to see darkness or hear silence. True, we have some knowledge of both darkness and silence: of the former only by the eyes; of the latter only by the ears. Nevertheless, we have no sensation but only the privation of sensation.

Thanksgiving Worship Service

Thanksgiving worship service will take place on November 25 at 7:00 p.m at Christ Lutheran in Chetek. It has been our tradition to celebrate the evening before Thanksgiving. Please try to make this worship service a part of your Thanksgiving celebration. Our Lord Jesus deserves honor, praise, glory, and *our gratitude* above all others. Consider the words we sing:

"Now thank we all our God with heart and hands and voices, who wondrous things has done, in whom his world rejoices; who from our mothers' arms has blessed us on our way with countless gifts of love, and still is ours today.
