Nate and Shannon Ackerman continue with Cru ministry in their new role at home in the states with **The Jesus Film Project** (JFP). The Jesus Film Project is a ministry of Cru that is committed to everyone having the chance to see Jesus. *The Jesus Film* is the Gospel of Luke in movie form and one of the greatest evangelistic tools of all time. The Jesus Film is the most translated movie of all time (over 1500 languages!) and is being used by God to give every tongue, tribe and nation the chance to hear the Gospel in their heart language. The Ackerman's monthly newsletter is posted on the bulletin board for specific prayer requests.
